| <p>WINE MAKERS COMMENTS</p> <p><i>The fruit for our 2007 Moutere Riesling was picked at optimum ripeness after a long, dry hot summer. Cool fermentation techniques have captured the natural fruit characters of this wine and some extended time on its less has developed the depth of flavour.</i></p> | |
| <p>TASTING NOTES</p> <p><i>Crisp, minerally green apple and lime flavours give this wine its distinctive palate. This wine will open up well in the next 1 – 3 years, developing into a wine well worth cellaring.</i></p> | |
