### **Vintage 2007 Newsletter**

Another successful Harvest has come around. This year Kahurangi Estate has increased in size to become the 3rd Largest Winery in Nelson, from 2006 processing 215 tonnes of grapes to this vintage processing over 370 tonnes of grapes!! This is to support our Export demand for Kahurangi, Trout Valley & Kiwi wine Brands.

#### **Winery News**

Under the guidance of Head Wine-Maker, Neil Todd, the processing of the extra 155 tonnes of grapes went rather smoothly.

Neil had a few extra helpers this year along with his assistant wine-maker Susan van der Pol, we had two extra Cellar hands, Kirk Day and Laurence Stradling. We also had a Guest Wine-Maker Justin Papesch who brought his experience and expertise with him from Marlborough and helped Neil process the wine over a very busy six week period.

The quality of wines in the tanks at the moment are tasting exceptionally well and our first bottling for our 2007 wines has just been completed.

Look out for our 2007 Mt Arthur Riesling, which is tasting fabulous, along with our 2007 Pinot Gris which will be released early Spring.
